Which bus line are you using? Voting family unit vs Votes

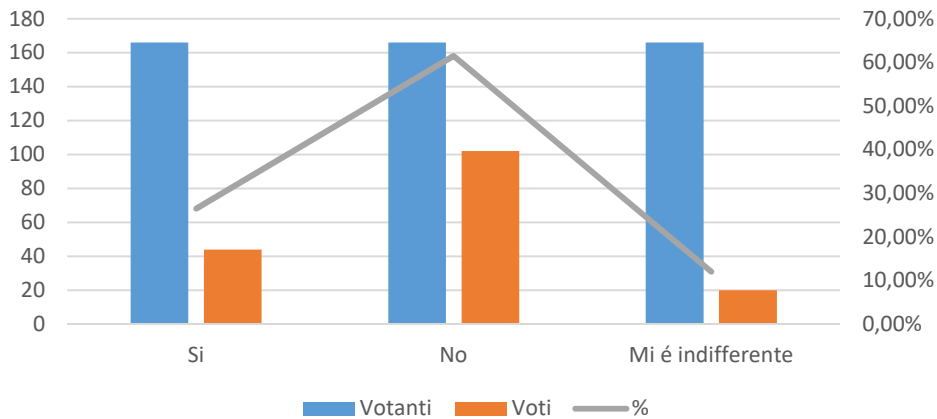

Would you like to maintain the current mixed schedule that considers basing on the users the route with convenient stops close to homes and as fast as possible?

You would like a programme more oriented towards:

If your bus line were currently subject to delays due to the busy route, would you agree to set up a hub-type route and maintain a 50/55-minute journey time?

As the Friday 4.20 p.m. bus route is limited in capacity, it will be evaluated separately from the general schedule. However, we ask you to indicate a specific preference for this time only:
